“Where words fail, music speaks.” Hans Christian Anderson  
America is very wealthy in terms of patriotic music! This year I would like to encourage all of you to incorporate music in your monthly meetings.

President Jeanine has chosen “**American Soldier**”, “**Where The Stars And Stripes And The Eagle Fly**” and “**National Anthem**” as her songs this year. Let’s sing those along with any of the other patriotic songs we know and love.

### **Suggestions to incorporate music at your meetings:**

1. Ask a local musician to sing a patriotic song (or lead your group singing a song).
2. Ask the school music instructor for student or ensemble to perform a patriotic song.
3. Ask the local piano instructor for a young pianist to perform a song.
4. Ask one of your younger, computer savvy members to have a patriotic song ready on their smart phone or Ipad.
5. Use a CD recording of the patriotic song.
6. Ask a local accompanist to come to your meeting and accompany your group.
7. Smile and sing joyfully!

**America has so much patriotic music! Let’s sing it at our meetings and let freedom ring!**
