

JUNIORS PROGRAM

Happy New American Legion Auxiliary Year South Dakota. I look forward to a great year with our Juniors.

Junior Auxiliary membership is open to girls from infancy through age 17. The Juniors Activities program prepares girls to become active adult members of the organization by providing positive volunteer experiences that instill the ideals of the Auxiliary.

The girls learn about patriotism, leadership, service to others and so much more. Let's help them become responsible young woman to continue on with our own mission in the Legion Family.

To the Units, please invite your Juniors to participate in your meetings. Let them lead the Pledge of Allegiance or say an opening Prayer. You never know what the kids might come up with, they might just surprise you.

The National Junior Meeting will be Nov 14th in Omaha NE.

As the New website gets up and running, I will have a new report form available if your Unit has Juniors, please report their activities nothing is too small. I will also have links to different Junior programs such as the Patch Program and Scholarships that are available to them.
