

2026-2027 Program Committees

All South Dakota Auxiliary Chairpersons are to have a committee (Bylaws 2-4) to help with their program and to mentor them, share your information and reports, inform them about your national virtual meetings, and allow them to help share your information and to learn from you.

This committee is up to you and does not have to be approved by anyone, but we do need to know who is on the committee, so if we need them to fill in for you or may want to do this as a chairperson in the future.
