

**GIVE 10 TO EDUCATION PROGRAM
IS GIVE 20 TO EDUCATION FOR 2027!**

Since it's the 20th Anniversary of the Give 10 to Education Program, we are going to do Give 20 to Education for this year! The Give 20 to Education is designed to allow every American Legion Auxiliary member to support education. Every unit participating will receive a certificate.

It's that time of year again when we see parents and children in the stores ready to purchase their back to school supplies. However; many parents can't afford these items and so here's where the American Legion Auxiliary comes in. Each unit is asked to donate supplies in multiples of twenty; 20 items in sets of 20. Examples would be 20 notebooks, 20 backpacks, 20 pencils, etc. Another suggestion would be for your unit to host a community drop off site for school supplies. Don't forget to check back with the teachers during the school year to see if they need restocking of art supplies, physical education supplies, Kleenex, white board markers etc. Members can also donate their "time" by volunteering in a classroom or supervising recess.

Other important dates to support our schools are American Education Week: November 16-20, 2026 and Teacher Appreciation Week, May 3-7, 2027.

Contact the school, donate your items/time, and then send off the unit's Give 20 Report form by May 1 to the Department Education Chairman, Jan Seibel, 42542 102nd St, Britton 57430 or take a picture and send to 605-448-3002 or email it to seibelj@venturecomm.net.
