The purpose of the Education Program is to promote the American Legion Auxiliary's role in providing quality education for children and adults through classroom activities, literacy programs, scholarship promotion and support of education beyond high school, especially for military children.

Things your unit can do to promote the Education Program:

1. Support Give 10 to Education, American Education Week, and Teacher Appreciation Week.

- Participate in the Give 10 to Education program by soliciting items from members and local residents to distribute to the schools in your community. Education plus the American Legion Auxiliary always equals success. The members of the American Legion Auxiliary strive to ensure that students and teachers have the supplies necessary to make learning successful. Give 10 to Education means members donate 10 items in sets of 10. Teachers now use social media to post the needed supplies on the school's Facebook page and often will create wish lists on Amazon. Members are great resources for the school supply list as they are often teachers or family members of students. Give 10 Forms should be sent to Jan Seibel, 42541 102nd St, Britton 57430, or email them to seibelj@venturecomm.net DUE DATE May 1.
- Participate in American Education Week, November 17-21, 2025, by recognizing school administrators, staff, and teachers
- Promote Teachers Appreciation Week, May 4-8, 2026, by reaching out to teachers and asking how your unit can enhance their curriculum OR other ideas:
 - Contact local Parent Teacher Organizations or schools to see what your unit could sponsor or donate (e.g., donating doughnuts to your local schools).
 - Show your appreciation to teachers by designing and presenting certificates of appreciation.
 - Provide Teacher Survival Kits with fun and helpful items such as candy and snacks, tea bags or coffee, restaurant gift cards, or items for the classroom.
- The Box Tops app helps you find schools that need extra help. To direct your earnings to a school in need, download the app and tap "Find a School in Need."

2. Encourage schools to participate in Month of the Military Child and Purple Up! Day in April to honor their students who are military children.

- Sponsor a Purple Up! Day on April 15 in your school by providing purple items for students to wear,
- Present the Military Child Table at your school, unit meeting, or at your post.
- Sponsor a party for the military children in your school.

3. Enhance respect for the sacrifices of our military heroes among school children by scheduling Veterans in the Classroom programs at local schools

- Collaborate with your local American Legion post to present Veterans in the Classroom within your local schools. Volunteer to provide transportation to and from the school for the veteran speaking
- Promote your Veterans in the Classroom event through local media and on your own social media accounts.
- Wear your American Legion Auxiliary apparel when you visit schools.
- Ask the teacher(s) to have their students make cards for the veteran(s)
- Work with the teacher(s) to prepare students to ask questions of the veteran

4. Promote American Legion Auxiliary scholarships and award local scholarships at the Department and unit levels.

- Your unit Education Chairman should contact your school's guidance counselor or teacher who handles scholarship opportunities. Make copies of any scholarship application and provide them to the schools. Set a date at the school and talk with the senior students about these scholarships.
- Make a unit donation or member donation to ALA National Scholarship Funds. Those scholarships are listed below.
- Your unit education chairman should lead a scholarship selection committee. Send your scholarship winners for department and national scholarships to the Department Education Chairman.
- Publicize the winners of ALA scholarships at a school presentation and in the media.
- Please keep track of the total number of applications received for any scholarships and send that information to your Dept. Education Chairman.

5. Local unit scholarship

- What better way to show our communities what we do than by supporting our youth.

6. Assist and support military children with educational opportunities

- Provide your local school with a copy of the Educator's Guide to the Military Child During Deployment
- Inform schools of a free tutoring website for military children: www.tutor.com/military
- Provide information on the ALA Children of Warriors National President' Scholarship.
- Provide your junior ALA members with scholarship opportunities.

****With school underway, high school students are looking for ways to help them with their future college, university, or technical school expenses. The only way for these young adults to learn about these scholarships is to get them in **KNOW**. Please talk with your school and set up a date to talk the students about these scholarships. If you need help with anything, please call, text, or email me. Have a great year promoting your education programs!**
